REMARKS

The Notification of Defective Response indicates "[t]he last name of the 5th inventor is different on the declaration than on the International Application. Please clarify."

Applicant/Inventor Chandra Patterson was her correct name at the time the PCT application was filed. Since then, she has married and changed her name to Chandra Arvizu. Since that was her name at the time she executed the Declaration, she signed that name. Attached is an Application Data Sheet requesting correction of her name on the application.

Applicants believe that no fee is due with this communication. However, if the USPTO determines that a fee is due, the Commissioner is hereby authorized to charge Deposit Account No. 09-0108.

Respectfully submitted,
INCYTE GENOMICS, INC.
